

Street Mission is a registered charity which provides food and other life essentials, directly and indirectly, to the homeless and marginalised of Sydney's Northern Beaches.

**PROVIDING
FOOD FOR THE
HOMELESS**
(ON THE NORTHERN BEACHES)

Many people who come to the “Street Mission Café” and our other services face a wide range of challenging issues and this is often through no fault of their own.

These include family breakdown, mental illness, loneliness, low self-esteem, drug and alcohol abuse and unemployment.

These issues can and do negatively impact the whole community.

Donations help fund our café for the homeless and needy operating every Saturday night in front of the Uniting Church, Belgrave Street in Manly as no other food service is available.

Street Mission needs your help!

“Street Mission” was founded by Alan Clarke who has a passion for helping the less fortunate. In 1998 he decided to turn his dream into reality.

Street Mission is no longer just a fundraising effort. We operate front-line welfare programs that directly affect the homeless and needy on the Northern Beaches as indicated elsewhere on this pamphlet. The emphasis is still on food and other essentials for life support.

We also support the following local charities and programs through your donations

The Burdekin Association
www.burdekin.org.au

“Funding assists us to provide a grocery set-up for young people in our housing programs. It also assists with the Burdekin camp. Our support programs are greatly enhanced by the generosity of this marvellous organisation.”

Manly Community Centre
www.manlycommunitycentre.com.au

“It has provided valuable financial contributions to the Manly Community Centre for over six years, which has enabled us to assist many of the communities’ socially disadvantaged. Support is vital to ensure that help continues.”

Youth Reach
www.vinnies.org.au/youthreach

“The donations have helped us make a difference to the lives of young people and give them a fresh start in life by providing financial assistance towards our programs.”

Street Work
www.streetwork.org.au

“Street Mission provides valuable financial assistance we directly use to put young lives back on the rails. Put simply, this money saves lives.”

Street Mission Café

In 2003 we identified one of the needs in Manly was a food service on Saturday nights. We serve a free hot nutritious meal, dessert, tea or coffee and provide a takeaway for Sunday. Our volunteers are very dedicated and provide some human interaction for a marginalised group.

Sailing Program

The “Lauracourt” can take as many as eight people sailing, cruising or fishing. Two days per week are dedicated to at risk young people. We foster trust, teamwork and companionship in a relaxed environment.

Build Community Support...

Our programs depend on your regular tax deductible donations, support from individuals and the local community to keep their vital work going.
